**Technical offer n. 21-295 REV 1 dated 13.07.2021**

Further to your kind request, below our technical offer for :

Pos.	Q.ty	Description
1	01	<p><b>iXRS-320/4.5 MXR-320/26-90, 10m</b></p> <p>Consisting of:</p> <ul style="list-style-type: none"> <li>- X-ray tube MXR-320/26-90</li> <li>- HV-Cable N3/160-RA24SL-R24SL-10m (incl. flange)</li> <li>- Cooler XRC-4523-OA (incl. cooling hoses 15m &amp; Cooler-control cable 15m &amp; Cooler power cable 15m)</li> <li>- Generator iVario 320kV/4.5kW (incl. flange)</li> </ul> <p>Software settings:</p> <ul style="list-style-type: none"> <li>- Warning lamps: Factory configuration</li> <li>- Pre-warning times: Factory configuration</li> <li>- Inputs: Factory configuration</li> <li>- Dynamic monitoring: Factory configuration</li> <li>- Outputs: Factory configuration</li> </ul> <p>Additional options:</p> <ul style="list-style-type: none"> <li>- <b>IP54 cover</b></li> </ul>

		<ul style="list-style-type: none"> <li>- <b>Control</b> w. 15 cable</li> <li>- <b>iVARIO Software</b></li> </ul> <p>Additional Information:</p> <ul style="list-style-type: none"> <li>- <b>iVario Software</b> &amp; Ethernet protocol T3</li> <li>- Manual in English</li> <li>- Price includes 'In-house Test' of the whole module</li> </ul> <p><b>iVario-Starter Kit</b></p>
2	1	<p><b>MIR/MXR WARRANTY 24 months full</b></p> <p>The warranty period for Metal Ceramic tubes MIR/MXR is extended to 24 months full and starts from the delivery date. As a basis for assessing the complaint, "Warranty - Industrial Products" apply (see <a href="http://www.cometxray.com">www.cometxray.com</a>). Thus, exclusively the warranty period is adjusted; the shelf-time is eliminated. In case of a tube defect within the warranty time, the customer receives a free repair resp. a replacement tube as soon as available (decision by COMET after analysis of defect tube). If a replacement tube is shipped, it takes over the remaining warranty from the one originally supplied. Packaging and transport costs are not included.</p>
3	1	<p><b>Installation and training at customer site in SLOVENIA</b></p>

We stay at your complete disposal for any further information needed . Kind regards .
